EDUCATION

Occidental College, Pasadena, CA

Attended Remotely Fall 2020 - Relevant coursework: Data Structures

Saint Helena High School, Saint Helena, CA

June 2020

National Honor Society

GPA: 4.25 (weighted)

WORK EXPERIENCE

Spottswode Vineyard & Winery, St. Helena, CA

2016- present

Vineyard, winery events and archiving computer work.

RBO & Co. LLC, St. Helena, CA

Spring 2021

Intern, helped with various tasks at investment company.

Silver Oak Winery, Napa, CA

Summer 2020

Intern, wrote integrations for Salesforce database.

Offset Partners, Napa, CA

Summer 2019

Intern, Design Studio – Learned HTML + SASS, SEO, Accessibility, Responsive Design, and developed websites for winery clients.

PROJECTS

Occidental College Open Source Club – oxyos.github.io

Developed an improved website that added accessibility, responsive design and attracted new members to the club.

QuACS Integration – quacs.org

As a student, I collaborated with the creators of an open source project to integrate data that I scraped for Occidental College's systems into a course scheduler to help students with the experience of signing up for classes.

Clue – Closed source

Analyzed the game of Clue to find an algorithm that would use the clues of other players to find the solution faster and implemented the solution in Golang, with the addition of networking to create a web interface.

Portfolio website – Closed source

Designed the layout of an update to my personal website, and implemented it in pure HTML + SASS, with a Flask backend to separate security concerns, and deployed in a Docker container on my Kubernetes cluster.

LEADERSHIP
